Report on the AGM held on 11 March 2010.

President Frank extended a warm welcome to everyone present at the Annual General Meeting and said that it was again a pleasure to mention the long relationships we have in the Club and to be able to welcome our new members.

. He said there will be an occasion on the 8th April when the Club will be commemorating its 20th anniversary, when he would like the Ladies to be invited to join us in our celebrations where our Western Cape President, Bob Goebel will be the guest speaker..

He said he was delighted to say we now have 41 members with an addition of 16 new members since he joined the club 4 years ago. President Frank said there were 10 apologies for the meeting. He said Colin Tipping and Robbert van den Honert are not well at present and our thoughts are with them both. We had an attendance of 30 members.

President Frank then inducted Dave Williamson : William Moore : Brian Blom :

After lunch the President then read out the list and congratulated all those celebrating birthdays and wedding anniversaries in March and made special reference to Malcolm and Susan Willet who were celebrating their 50th wedding anniversary, a milestone indeed.

The President said it was unfortunate that no one from the Club was able to attend the Buzz meeting in Port Owen, but that it clashed with this meeting. He said we will no doubt hear from Bob Goebel at next month's 20th Anniversary meeting, as to what transpired.

President Frank continued, giving his annual report back on the year, detailing the excellent events that had taken place, the good speakers who had entertained us and he said a word of thanks to the Club Committee who had supported him throughout the year and to those Committee members who had offered to serve another year. He continued saying that we had lost Len Butcher during the year plus we had received a resignation of Ron Slaughter whose deafness had now made it difficult for him to take part. On the plus side membership is up to 41 new members and he proposed a vote of thanks to all the members.

He said he was looking for people to come forward to offer their services and to join the Committee and said that both Jan Laing and Bryce Smith have asked to stand down from the Committee and that we do need nominations. The President said he had approached Tom Higgins to stand as Deputy President.

Jan Laing, Treasurer took members through the year's income and expenditure accounts detailing all the main items and said that we were left with a total credit balance at the end of the year of R3447-13c compared with R3693-17c in the previous year. The acceptance of the financial statements were proposed and seconded and unanimously carried.

President Frank continued, asking for nominations for the Club Committee and the following office bearers were nominated and duly appointed without division. **President** - Frank Powell : **Past President** - Chris Wetter : **Treasurer** (temporary) Jan Laing : **Deputy president** - Tom Higgins : **Secretary** – Dave Brook : **Distribution of Newsletters** – Robbert van den Honert : **Almoner** – Malcolm Willett : 2 additional Non-Committee members were appointed to assist as and where needed, being Brian Blom and William Moore.

The President said the grace before lunch was served

George Fourie and Colin McClelland won the raffle and each received a fine bottle of wine.
