Report of the Meeting Held on 9th December 2010

This being the occasion of the December meeting and Christmas luncheon President Frank extended a warm welcome to all those present. 24 members were in attendance together with 21 ladies. Also in attendance was Ted Davison and his wife Kathy, visiting from Somerset West.

Apologies for the absence of 14 members were extended to the meeting.

Best wishes were extended to those who were ill with an acknowledgement to Robbert van den Honert for his conscientious commitments to the running of the Club.

President Frank read out the December birthdays and wedding anniversaries with apologies to Brian and Elsa Esterhuizen for getting the year of their marriage wrong. The Secretary also wishes to apologise to Frank and Gloria Powell for making the same mistake with the date of their wedding (errors have crept into the records). Frank wished them all well.

Terry Moulton said grace before the luncheon.

The lunch was a most enjoyable occasion. We were entertained by Frank with his inimitable jokes and a joke from Terry Moulton about the 3 bears which was befitting a man of the cloth.

Susan Willett gave a most amusing rendition of the twelve days after Christmas which described culinary methods for getting rid of the leftover turkey.

A vote of thanks to the members of Probus was given by Susan Willett and Ann Cillie.

In keeping with the occasion Jan Laing, by dint of prudent monetary policy, was able to provide 7 prizes for the raffle. Jan's efforts in the organization of the occasion were acknowledged with gratitude.

The meeting ended in midafternoon.
